

**President's Office
Budget Statement**

Overview

The President's Office has one IFR account, the campus Income Fund Reimbursable Buy-out account. The revenue from this account is generated from the annual campus IFR buy-out allocation.

Highlights

This account is available for the President's use for campus funding priorities.

Planning Assumptions

This account will receive an allocation from the campus-wide IFR buy-out of \$55,000 in the 2008-2009 fiscal year. Funds from this account will only be used at the direction of the President to address campus funding priorities.

Operating Budget

The 2008-2009 budget allocation for the President's IFR Buy-out account will remain the same as the 2007-2008 fiscal year at \$55,000.

Both SUNY Fredonia men's and women's soccer teams were invited to post-season play.
