

2009 SUNY Fredonia Student Organization Excellence Awards

Student Organization Excellence Awards are awarded by the Office of Student Affairs and Academic Affairs recognizing those student organizations striving for programming excellence in the areas of community relations, cultural arts, leadership development, school spirit, multiculturalism, and volunteerism.

Winners of the following awards will receive a \$200 stipend for their organization's future endeavors. The \$200 will be deposited into the organization's Student Association account only. At no time will the monetary award be given to an individual or deposited into an off-campus financial account.

All awards will be presented at the Leadership Development Awards Reception on April 29, 2009. A representative of the applying organization must be in attendance. Organizations will only be awarded one award per year. The awards are competitive and require excellence. As such, not all awards will be given every year.
