13. The course made appropriate use of technology (computers, calculators, etc.)

22. The instructor provided an opportunity to ask questions in class.

23. I would recommend this instructor to other students.

Student Monitor: Return completed forms to Fenton 223. Thank you!

The primary purpose of this evaluation is to improve the quality of courses at SUNY Fredonia. As one of the students in this course, your perspective is important. As you complete the front and back of the opscan sheet, honestly assess areas you found to be successful and others that you think might benefit from some improvement.

In order to keep the results of this questionnaire separate from the grading process, no results will be dispersed until your final grades have been submitted. To further insure confidentiality, do not place any marks of personal identification on this form.
