

Fall 2011

Dear Colleague:

The All-Campus Appeal is an opportunity for faculty and staff to support student scholarships and build program and departmental endowments through the Fredonia College Foundation, a private non-profit corporation that exists solely to support SUNY Fredonia.

By contributing to the All-Campus Appeal, you have the opportunity to help ensure that future students continue to be nurtured and inspired by SUNY Fredonia. Your contribution to the All-Campus Appeal will make a real difference and open new doors to success for our students.

Payroll deduction is one of the fastest, easiest and most convenient ways to make a gift to the appeal. By completing the payroll deduction section on the SUNY Fredonia Pledge Form, you specify the amount you would like automatically deducted from each paycheck and where your support should be designated. You can have an amount deducted until further notice or chose “continuous” giving to ensure uninterrupted donations to Fredonia. A gift of as little as \$1 per pay period grows to \$26 by year-end; \$5 per pay period adds up to \$130; \$25 per pay period equals a generous \$650 by year-end. Of course, you may also make an outright gift of cash or divide your gift into payments. Checks should be made payable to the Fredonia College Foundation, Inc.

The building of endowments translates into more available scholarships for deserving students and the development of new programs – all of which benefit student learning. I encourage you to contribute to a fund of your choice.

All faculty and staff are encouraged to participate in the appeal

through payroll deduction or with gifts of cash to the Fredonia College Foundation. Donors wishing to establish new endowments should contact the Foundation Office at ext. 3321.

Your participation is greatly appreciated.
