

Yield 2 Heels

A Driver's Role

Be Aware

When entering a crosswalk area drive slowly and be prepared to stop.

Be Safe

Yield to pedestrians crossing in marked crosswalks or at intersections and do not overtake and pass other vehicles stopped for pedestrians on your side of the roadway. Failure to yield in a marked crosswalk is a violation of New York law.

Be Considerate

Establish eye contact with pedestrians and be patient.

A Pedestrian's Role

Be Aware

Look across all lanes you must cross and do not assume drivers can stop. Even though one vehicle has stopped, another may pass in another lane. Look both ways and gauge the flow of traffic before you step onto the road and wait if necessary.

Be Safe

Cross the street between the crosswalk line, and remember if you cross the street at a place other than a designated crosswalk or intersection, the vehicle has the right-of-way.

Be Considerate

Establish eye contact with drivers before crossing and do not enter the crosswalk suddenly. Wave to thank drivers who yield.
