Abstract: Evelynn Crandall (R-Kennedy) was the first woman to serve as a Chautauqua County legislator. She was elected from District 7 (Cherry Creek, Ellington, and Poland) from 1978-1981, and again in 1984-1989. She served as Republican majority caucus leader and was chairperson of the Public Works Committee in 1988.

Mrs. Crandall had a deep and abiding interest in Chautauqua County local history. She spent a great deal of time transcribing cemetery records in the town of Poland; accumulating information on past and present town of Poland residents, including war veterans; and typing and indexing official town records, including those for the town board and the highway department.

Evelynn M. Stone was born in the Town of Randolph, December 27, 1926, the daughter of Leo R. and Laura Sample Stone Sr., and died in Kennedy, January 10, 1991. In 1946, Evelynn M. Stone married Vernon R. Crandall Sr. The couple had two children, Daryl O. and Vernon R., Jr.

Scope and Contents of Collection: Vernon R. Crandall allowed Reed Library's Special Collections staff to make xerographic copies of Mrs. Crandall's abstracts and scrapbooks. The box listing provides the titles of the various notebooks that were copied on acid free paper in 1991-1992.

Restrictions: Box 8, Folder 7-9, labeled "Town of Poland, Death Certificates to 1973", is restricted. Under no circumstances is this material to be made available until the appropriate time period has been observed for death certificates, as specified by the New York State Health Department's Bureau of Vital Records.
