- Family obligation 11/19

**Don't Cancel
that Class**

There's no need to cancel your class if you have a conference, business trip, or other obligation. The SUNY Fredonia Counseling Center (SFCC), by way of the **DON'T CANCEL THAT CLASS** program, can cover your class by presenting one of our outreach programs designed to promote social responsibility, meaningful interpersonal relationships, leadership development, appreciating diversity, and collaboration.

Please visit our website at www.fredonia.edu/counseling and click on **DON'T CANCEL THAT CLASS** to complete the quick and easy online form, or call us at x3424. A list of our 2009-2010 workshops is also available on our website.

Please note: two-week advance notice is required.
