

## **Amy Elizabeth Everett Award Program, 2009**

---

Ivani Vassoler (Political Science)

The award will support Dr. Vassoler's research and participation in an interdisciplinary conference to be held in Rio de Janeiro, Brazil, in July 2009. She will have a multilayered participation in the International Studies Conference organized by the US-based International Studies Association (ISA) and the Brazil based Associação Brasileira de Relações Internacionais (ABRI). She will present two papers: a) "Conflict Management from a Latin America Perspective: A Realist or an Ideological Foreign Policy?" and b) "Urban Thirsty: Water Inequalities in São Paulo and Mexico City Metropolitan Areas". In addition, she is serving as chair of the panel focusing on Peacekeeping Operations.
