

Incomplete (I) Grade Agreement

Please refer to page 221 of the Undergraduate Catalog. A grade of Incomplete (I) is to be assigned “when a student, because of illness or other cogent reasons, is unable to complete the requirements of the course.” A student wishing to be considered for an I grade in a course must contact the instructor before the end of the semester, indicating the reason(s) for the request. The student and instructor must then complete this form, and send it to the Office of the Registrar by the deadline for submission of final grades.
