

We will take nominations for the role of Fredonia Senator and alternate to the SUNY-wide *University Faculty Senate* at the March meeting of the Fredonia Senate and will vote in April. These are both 3 year terms.

The Fredonia Senator attends 4 meetings in the first year and 3 plenaries per year in the following 2 years. The Fredonia Senator also meets with the Fredonia Senate Executive Committee on a regular basis throughout the year for planning and responding to senate matters. Typically such meetings occur twice monthly but also additional meetings are scheduled as needed. The Fredonia Senator attends Fredonia senate monthly meetings. Reports are made to the Fredonia senate after each plenary.

The alternate senator serves as a substitute when the Fredonia Senator is unable to attend a plenary session.
