RE: University Senate Actions, October 6, 2008 – For approval/disapproval  
Date: Nov. 6, 2008

During the October 6, 2008, meeting, the Fredonia University Senate acted upon the following:

- Disapproved the creation of a College of Business
- Approved the Online Education Policy (effective fall 2009) brought forth from the Academic Affairs Committee with the following change:

In item 3, language should be changed **from:**

**Mode of Instruction:** At the time of registration, students have the right to know the degree to which courses will use online technology – in particular, whether a course will be traditional, web-enhanced, hybrid/blended, or 100% online. The delivery mode for a given section of a given course may not be changed once it has been published by the Office of the Registrar.
