College of Education
Master’s Degree Curriculum Project* Proposal Form

This form must be completed, submitted in triplicate, and approved by the Project Chairperson, and both the College of Education’s Coordinator of the Graduate Program, and Dean.

Candidates must enroll in EDU 690 during the semester of project work.
Proposed semester:______________________ Year_______________________

Candidate Name:      ID#  
Address:              
Phone:                
Today’s Date: 6/29/2004

* Curriculum Projects do NOT involve the use of human subjects. Curriculum Projects involve the informed compilation/production of curricular resources.

Please complete the following information on a separate sheet(s), in triplicate.

I.  Project Title (The title should summarize the main ideas of the project.)
II. Project Overview (What is the purpose of the Curriculum Project? Who is the target audience? How will this resource address a curricular need? What resources currently exist in this area?)
III. Theoretical/Research Base (What research articles/studies will you consult/draw upon? What learning/developmental/curriculum theories will the project rely upon? Provide an initial bibliography.)
IV. Master’s Degree Coursework Crosswalk (Provide, in chart form, a crosswalk showing the courses you have completed as part of your degree and an overview of how your learning from each course will inform this project. This will be updated and included as part of the final product.)
V.  End Product (What will your final product consists of/look like in terms of content? approximate length/size? etc.)
VI. Dissemination Plan (How/when will you share this resource with other professionals?)
VII. Project Timeline (When will you begin? end? What will you do? How often and when will you meet with the Project Chairperson?)
