Directory of Internships & Fellowships for Native Americans

This directory contains cooperative learning opportunities for Native American students and community members, presented in two sections:

Native American	specifically for Native Americans or related to Native issues
Minority	for minorities, generally actively recruit Native participants

Please visit our website to view the directory on-line -- along with our *Financial Aid Directory for Members of the Six Nations*. We also invite you to join our listserv, *init-tho*, to receive e-mail announcements for scholarships, internships, and fellowships as well as conferences, events, exhibits, workshops, and calls for work.

The Native American SUNY: Western Consortium is funded by the State University of New York (SUNY) to provide outreach in western and central New York to students and communities of the Haudenosaunee or Six Nations (Seneca, Cayuga, Tuscarora, Onondoga, Oneida, Mohawk.) Our office is located on the Fredonia campus.

SPONSOR	School for Advanced Research - Indian Arts Research Center
TITLE	ANNE RAY INTERNSHIPS (PAID)
CONTACT	ATTN: Internship-For-Credit Program School for Advanced Research, Indian Arts Research Center Post Office Box 2188 Santa Fe, NM 87504-2188 phone: 505.954.7205 email: iarc@sarsf.org url: http://internships.sarweb.org
AVAILABILITY	September 1 – May 31
ELIGIBILITY	The School for Advanced Research, Indian Arts Research Center (IARC) offers two nine-month internships to individuals who are recent university graduates, current graduate students, or junior museum professionals interested in furthering their professional museum experience and enhancing their intellectual capacity for contributing to the expanding field and discourse of the museum. One position is open to a Native American Individual, while the second position is available to both Native and non-Native applicants.
INFORMATION	The interns will devote their time to working on IARC programs, directed research and writing activities, and collections management and registration. In addition to daily duties, specific requirements including presenting a research paper at the SAR Colloquium Series; attending a national conference; assisting in the coordination and facilitation of one IARC seminar or symposium; providing tours of the IARC collection; and working on outreach initiatives to Native communities. If selected, the intern must agree to participate in interviews, photo sessions, video recordings, and an exit interview to document the intern's experience.
BENEFITS/AWARD	Valuable, practical experience; personal and professional development.
DEADLINE	March 1
REQUIRED DOCUMENTATION	Complete Application; Cover Letter; Official Transcript; Resume; Current Writing Sample; Letter of Recommendation.

SPONSOR	School for Advanced Research - Indian Arts Research Center
TITLE	INTERNSHIP-FOR-CREDIT PROGRAM
CONTACT	ATTN: Internship-For-Credit Program School for Advanced Research, Indian Arts Research Center Post Office Box 2188 Santa Fe, NM 87504-2188 phone: 505.954.7205 email: iarc@sarsf.org url: http://internships.sarweb.org
AVAILABILITY	Negotiable; Generally on a semester basis or during summer for a 3-4 month term.
ELIGIBILITY	General interest in Native American art, culture, and/or museum studies.
INFORMATION	Internships are available for high school, undergraduate, and graduate students interested in anthropology, art history, history, museum studies, or a related field. Internships last a minimum of one semester (20 weeks) and are appropriately designed to suit the education and maturity level of the student. Internships are geared toward practical experience and maximizing job market viability in the museum field.
BENEFITS/AWARD	The IARC encourages interns to work with the IARC collections on individual projects based on their academic or professional interests. Depending on interest, interns may work on projects relating to collections handling and cataloguing, community outreach/programs development, or academic research. While these internships are unpaid, the IARC can work with the student's school or university department to establish academic credit.
DEADLINE	Rolling
REQUIRED DOCUMENTATION	Complete Application; Resume; list of references

TITLE	HEALTH COMMUNICATIONS INTERNSHIP PROGRAM
CONTACT	phone: 301.480-5033 fax: 301-480-3462 e-mail: HCIP-Contact@mail.nih.gov
AVAILABILITY	There is one internship a year, beginning in July. Six month and one year internships are offered.
ELIGIBILITY	Currently a US Citizen or Permanent resident; currently enrolled in a graduate program or a recent graduate (up to one year); minimum undergraduate GPA of 2.75 for applicants who have not yet received a Master's degree; some science background; and experience or education in one of the following areas: public health, epidemiology, public relations, health education, communication, science writing, statistics, social marketing, and/or journalism.
INFORMATION	The National Cancer Institute (NCI) in Bethesda, Maryland, the largest of the 27 institutes and centers comprising the National Institutes of Health (NIH), is the Federal Government's principal agency for cancer research and training. The NCI offers paid six-month and one-year internships in the areas of health communications and science writing to highly qualified students who are completing their Master's or Doctorate degrees. These internships provide an opportunity to be a part of vital health and science communications projects.
BENEFITS/AWARD	HCIP interns are paid a monthly training stipend through a Cancer Research Training Award (CRTA). Interns are also eligible to receive health insurance at no cost through the Foundation for Advanced Education in the Sciences (FAES). Other benefits include paid government holidays, flexible work schedules, and transportation subsidies.
DEADLINE	First Tuesday in March for Spring Term First Tuesday in September for Fall Term
REQUIRED DOCUMENTATION	check website for updates Applications must be submitted electronically. Please go to the HCIP website: http://hcip.nci.nih.gov

SPONSOR	National Institutes of Health: National Cancer Institute	
TITLE	INTRODUCTION TO CANCER RESEARCH CAREERS PROGRAM	
CONTACT	phone: 301.435.8524	fax: 301.402.3509
	e-mail: ICRC-Contact@mail.nih.gov	
AVAILABILITY	<p>NCI will sponsor a two-day visit for ICRC participants to the NIH campus. During this time, the participants will have the opportunity to tour the facilities of the NCI and the NIH, listen to and network with research fellows, and potentially interview for an internship with NCI Investigators. Typically internships last about 10 weeks, and individual internship start- and end-dates are mutually agreed upon between intern and investigator. One-year post-baccalaureate internships are also available. Housing will be provided from late-May through late August only.</p>	
ELIGIBILITY	<p>Must be from an underrepresented population or have a financially disadvantaged background, or have a disability; undergraduate, post-baccalaureate (up to two years), or graduate student; US citizen or permanent resident; minimum GPA of 3.2; good academic standing; at least 18 years of age; demonstrated research experience; able to participate in the February visit; and available for a full-time summer internship or one-year post-baccalaureate internship.</p>	
INFORMATION	<p>The National Cancer Institute (NCI) in Bethesda, Maryland, the largest component of the 27 institutes and centers in the National Institutes of Health (NIH), is the Federal Government's principal agency for cancer research and training. If a student is hired by an NCI investigator as an ICRC intern, he/she will work under their direction and in concert with other researchers, fellows, and technicians. Interns will have the option to attend seminars on topics related to basic, clinical, biomedical and behavioral research, human health, healthy lifestyles, and health disparities.</p>	
BENEFITS/AWARD	Travel expenses and summer housing; monthly stipend depends on education level.
