

### Dan Berggren Excellence in Audio/Radio Scholarship

\$1,400.00 in the form of tuition remission

This scholarship is awarded to a full-time student who has exhibited commitment, promise, and excellent academic performance in audio/radio courses. To qualify for the scholarship, the applicant must have taken a minimum of 2-3 audio courses and received outstanding grades in those courses.

Specific application requirements:

1. Submit a 200-250 word essay that summarizes your experience and commitment to excellence in the field of audio/radio. You should also identify the different audio/radio courses you have taken and the grades earned in those courses.
2. Applicants should submit a resume that accounts for all experiences that have contributed to achieving excellent academic performance, particularly with respect to audio/radio.
