

## **Services Complex Overnight Parking Guidelines / Snow Removal**

Effective November 15<sup>th</sup> to March 1<sup>st</sup>

Please observe the following guidelines for overnight parking at the Services Complex. Note that the parking areas to the west of the Services Complex have signs to designate where parking is permitted and not permitted.

### **Overnight Parking Areas**

- Lined parking spaces in the center of the compound
- Along the Heating Plant / Commissary wall
- Parking area adjacent to the fenced in parking area, except where signed for fleet vehicle users
- Unlocked section of the fenced in area on the asphalt
- Park and Ride section closest to the softball field designated by signage

### **NO Overnight Parking Areas**

- Along the walls with overhead doors at shops, garage and storage building
- Entire roadway between the Services Complex and Ring Road
- Parking area adjacent to the heating oil tanks facing the Thruway to the west of the Heating Plant
- Park and Ride parking area (except section noted above)
- Parking area adjacent to fenced storage area signed for fleet vehicle users
