OFFICE OF THE PRESIDENT

August 12, 2022

Dear Faculty and Staff:

Welcome to the new academic year, which begins **on Monday, August 22**. I trust that you have seen and reviewed the agenda for the All-Fredonia *Faculty and Staff Conference to Welcome, Reflect, and Move Forward* being held during the week of August 15-August 19, 2022.

It has been two long years since we have been able to get together and interact freely because of COVID. So, the welcome week agenda is intended to bring everyone out to celebrate the institution's aspirations. We have worked hard to assemble an array of programs we hope you will find informative and helpful. I am encouraging everyone to review the agenda and select something of interest to attend. Supervisors, I hope you will be flexible in providing people in your areas the opportunity to attend sessions that are of interest to them.

On Wednesday, August 17, I will provide updates on a few things regarding the university in the State of the University Address. The presentation will be followed by the "Grill 'n' Chill lunch" outside the Williams Center. Also, we will have the annual Beginning of the Year Picnic **on Friday, September 2 at 3:00**

PM in Dods Grove. I encourage faculty and staff to attend and meet and greet others. My office will send an invitation and RSVP for this event next week.

I look forward to seeing you at the coming campus events. Let's make this one of our most successful academic years yet. I appreciate your support.

Cheers,

Dr. K

Stephen H. Kolison, Jr., Ph.D.

President and Professor
