OFFICE OF THE PRESIDENT

January 12, 2024

Dear Fredonia campus community:

Since I delivered my December 6, 2023 presentation to the faculty and staff regarding Fredonia's roadmap to financial stability, I have been receiving various forms of feedback and questions. Thank you to those who took the time to offer thoughtful and constructive questions and suggestions.

Following the presentation, I sent a link to a website, which was established to provide the campus community up-to-date and accurate information. This website has been updated regularly, and I encourage you to review the various [questions and answers](#) to ensure that your information is accurate and up-to-date.

Please also be aware that a [timeline](#) has been added to the website to update the campus community on the program deactivation review process.

Very truly yours,

Stephen H. Kolison, Jr., Ph.D.
President and Professor
