OFFICE OF THE PRESIDENT

August 22, 2024

Dear Students,

Happy Thursday evening!

It is my pleasure to welcome you to this new school year! To our new students, welcome to SUNY Fredonia, and I wish you great successes here. To our continuing students, welcome back and it is good to have you back. To our international students just arriving in the country, welcome to America and welcome to SUNY Fredonia! We are thrilled to have you here.

New students, there are about a thousand of you! This is very exciting as you constitute our largest incoming class in a few years. I am very pleased that you have selected SUNY Fredonia to further your education. You will find our campus to be safe and with many people ready to assist you in achieving success. I hope this is an exciting time for you and your families. I have had the opportunity to meet several of you already. I had a wonderful time eating lunch with several of the EOP students. What a delight that was! I enjoyed our conversation and thanks for the questions. I had the opportunity to meet several of the international students, as well as the students in the ACE program. I am looking forward to seeing all of you at the clocktower on Friday afternoon to fulfill our tradition of welcoming new students.
