Dear Faculty and Staff,

I am pleased to share with you a follow-up to what I presented to the University Senate this evening regarding [my goals for the next few years](#) coming and the factors driving these priorities.

As you recall, we launched our new strategic plan, [True Blue Transformation](#), last year, and you may also be familiar with [SUNY's four pillars](#) that will guide SUNY's progress.

I welcome your feedback on these goals, and as the year progresses, I will continue to revisit, review, and revise these as appropriate.

Very truly yours,
Dr. K

Stephen H. Kolison, Jr., Ph.D.
President and Professor
