### **Benefits of your “Mix & Match” Season Tickets**

*Convenience:* Order your tickets all at once for the season and save repeated calls or trips to the ticket office.

*Generous exchange privileges:* If your plans change, you can exchange any Mix & Match tickets you purchase for any other event on the master Mix & Match event list. And as a subscriber, there is no fee for doing so. See below for complete details.

*Location, Location, Location:* If you order tickets to any of our reserved seating events (Mainstage, Kaleidoscope or Pops), you will have first choice of seats before they go on sale to the general public. For the best seats, please order by the renewal deadline.

*Affordability:* Choose the “Three or More” plan and save an average of 15% off the regular ticket price. Choose the “Six or More” plan and save up to 25%! By ordering all your season tickets at once, you also save on multiple order processing fees that will apply if you order on a show-by-show basis during the year.

*“Making a date with yourself”:* As a season ticket holder, you “make a date with yourself” to see shows you might otherwise just miss. With everyone’s busy schedule these days, it’s easy for a show to come and go before you get around to ordering tickets. The Mix & Match program makes it easy for you to plan in advance and enjoy some of the best arts and entertainment our region has to offer.

### **“Mix & Match” Ticket Exchange Privileges**

As a Mix & Match season ticket holder, you are entitled to FREE ticket exchanges. If your plans change, you may choose to attend any event on the Mix & Match event list that better suits your schedule. If an alternate event cannot immediately be chosen, the value of the tickets will be credited to your account for future use (within the year). Please note:

- Exchanges must be made at least 24 hours before the performance date.
- Once a performance has passed, tickets are no longer eligible for exchange.

- Once a performance is sold out, tickets are no longer eligible for exchange.
- If you exchange for lower-priced tickets, the difference in price will be credited to your patron account and may be used toward future purchases at the ticket office. Likewise, if you exchange for higher-priced tickets, the difference in price will be due upon exchange.
- Tickets must be returned to the ticket office either by mail or in person before the exchange can be processed.
