Maria S. Murray, Ph.D., is the founder/CEO of The Reading League, a not-for-profit organization devoted to increasing educator knowledge. Its mission is to advance the awareness, understanding, and use of evidence-aligned reading instruction. Prior to founding The Reading League, Dr. Murray was an associate professor at the State University of New York at Oswego, where she taught courses related to literacy assessment and intervention for ten years. She received her Ph.D. in Reading Education from Syracuse University, where she served, as project coordinator for Dr. Benita Bachman's numerous federally funded early reading intervention grants. Dr. Murray is passionate regarding the prevention and remediation of reading difficulty and strives to increase educator knowledge and the connections between research and practice.
