

The Department of Psychology

The State University of New York at Fredonia, Fredonia, NY 14063

Curriculum Map: Degree in Psychology

(Curriculum Code Number: 0247)

Student Learning Outcomes (SLOs)

1	<i>Knowledge Base in Psychology: Majors will demonstrate fundamental knowledge and comprehension of the major concepts, theoretical perspectives, historical trends, and empirical findings in psychology.</i>
2	<i>Scientific Inquiry and Critical Thinking: Majors will engage in scientific reasoning and critical thinking, including effective research methodology in solving problems related to behavior and mental processes. This includes psychology information literacy and interpreting, designing and conducting basic psychological research.</i>
3	<i>Ethical and Social Responsibility in a Diverse World: Majors will develop ethically and socially responsible behaviors for professional and personal settings, including development of values that build diverse communities.</i>
4	<i>Communication: Majors will demonstrate competence in writing, oral and interpersonal skills.</i>
5	<i>Professional Development: Majors will apply psychology specific content skills, including effective self-reflection, project management skills, and teamwork skills to develop career and graduate school readiness.</i>

Baccalaureate Goals

<i>Skilled (S)</i>	<i>Develop intellectual and applied skills, literacies and knowledges</i>
<i>Connected (X)</i>	<i>Engage community and diversity: local stewardship, global citizenship</i>
<i>Creative (C)</i>	<i>Demonstrate scholarship, artistry and innovation</i>
<i>Responsible (R)</i>	<i>Activate sustainability, ethics, leadership, and professionalism</i>
