### ACCESS & SECURITY

#### Keys

The Director of Facility Operations shall maintain keys to spaces that may be issued for periods of short duration to stage managers, House Managers, or other authorized individuals requiring access. The University Facilities Office shall issue assigned keys or FredCard access (ie piano, harp, percussion, tuba, etc. practice rooms) at the request of faculty with the approval of the Director of Facility Operations or the School of Music Director.

#### Building Hours

Mason Hall building hours will be emailed to students and faculty/staff prior to each semester

Building Hours when classes are IN SESSION	7 am to 11 pm
Building Hours during Summer	8 am to 4 pm

*Note: Building Hours are posted on all exterior doors to Mason Hall*

*Access outside these hours is by **FREDCard only** at the following entrances:*

*Main Entrance (west side) and Quad Entrance (east side) adjacent to Rosch Recital Hall*

#### School of Music Office Hours

Office Hours when classes are IN SESSION	8 am to 4:30 pm (Mon-Fri)
Office Hours during summer and breaks	8 am to 4 pm (Mon-Fri)

#### After Hours Access

The School of Music recognizes that certain procedures necessary for the completion of academic requirements, such as rehearsals, and other occasional academic projects, require long, uninterrupted periods of time and special facilities for their completion. Occasionally students who require facilities will find it necessary to work in the building after hours and without faculty supervision to complete these projects.

School of Music students will be allowed after hours access to the building to be programmed into the proxy card access readers located either end of the Rosch Recital Hall lobby (main west entrance and main quad entrance). These students will be permitted access to and use of all equipment and supplies in their assigned work areas. Students using the building during 'closed building' periods must have valid student ID with them, and must follow building policies at all times. Failure to follow policies will result in revocation of some or all after hours privileges.

Students are not to sleep or eat in practice rooms. The School of Music Director reserves the right, after consultation with appropriate area heads, to revoke any individuals after hours access if, in their opinion, School of Music policies are not being observed.

## ACCOMPANYING

Please refer to [Accompanying Policies](#) for all information and forms regarding accompanying in the School of Music, including who may do accompanying or how to find an accompanist. The School of Music provides limited accompanying through the fees you pay. Most students who need extra time with an accompanist should be prepared to pay him or her directly, resulting in an additional expense.

## ADVISORS

Each student is assigned an individual faculty advisor, who will guide you in course selection, academic standing, degree programs, and other areas as necessary. Students must meet with their advisor before registering each semester. Each student's advisor is listed at the beginning of his/her online transcript available through Your Connection.

While the advisor is an important person to help you manage the requirements of a curriculum, there is no substitute for being personally informed. Refer to the appropriate edition of the University Catalog and to the various forms and documents.

## AREA HEADS

## ATTENDANCE POLICY

### Classes, Lessons & Rehearsals

It is the School of Music's policy that attendance is required for all classes, studio instruction, rehearsals and other instructional activities. The penalty for absences is left to the discretion of individual instructors. Absence from final exams or juries without prior arrangements will result in an automatic "F" grade. If you are unable to attend a class, lesson, rehearsal or other activity, PLEASE CONTACT YOUR INSTRUCTOR IN ADVANCE.

### Studio Instruction

Students should contact their studio applied instructor as soon as possible during the first week of classes to schedule their lessons for the semester. NOTE: instructors will need your current schedule in order to determine lesson times.

## AUDITIONS

Auditions are part of being a musician and are usually expected for anything you'll want to do with performance, from performing in an opera to playing in a band. Auditions are generally required if you wish to change your major, add a concentration, or pursue a Performer's Certificate. If you wish to take on a performance-based initiative, speak to your studio professor about the requirements.

Every semester or year, string, wind, percussion and voice auditions are held for placement into the main auditioned ensembles of the School of Music. Participation is required per the [ensemble requirement](#) of the School of Music. For more information about these auditions, please see [Ensemble Auditions](#).

## **BOOKSTORE**

Located on the ground level of the University Commons, the University Bookstore carries most text books and reference books.

## **BUILDING MAP**

[Map of Mason Hall.](#)

## **CAMPUS LIFE, OFFICE of**

The [Campus Life Office](#) is responsible for [Summer Orientation sessions](#) for new freshmen, parents, and transfer students, Student Activities, University Room Reservations, Commencement, Leadership Development, and Volunteer Services. The Campus Life Office also provides an Off-Campus Living Guide for students looking for living options off-campus. This guide aids students with tips and services for prospective students looking to make their residence off-campus. Please note that Freshmen and Sophomores are required to live on campus.

## **COMMUNICATION - STUDENTS**

When Faculty and Staff need to contact students, they may do so by posting announcements in one or more of the locations listed below.

### **E-mail (FREDMail)**

See e-mail below for more information.

### **Mailboxes**

Every School of Music student has an individual “mailbox” in the filing cabinets located in the Student Lounge (Mason 1004). Faculty and Staff will contact students regarding matters of scheduling, grades, paperwork and general announcements. Please be sure to check your mailbox regularly. NOTIFY THE MUSIC OFFICE IF YOU DO NOT HAVE A MAILBOX.

### **Bulletin Boards**

A daily/weekly schedule of School of Music classes is available in the office, and upcoming events are posted on the **EVENTS BULLETIN BOARD** in the main lobby of New Mason. All public School of Music [concerts and recitals](#) are also listed on the Fredonia web page.

Notices from Ensemble Directors are posted on the **ENSEMBLE BULLETIN BOARD**, located in the main lobby of Mason. Students should also check bulletin boards outside their Ensemble Director’s studio.

Theory Information is posted on the **THEORY BULLETIN BOARD**, adjacent to Mason 3164.

General notices from and for students are posted on the **STUDENT BULLETIN BOARD**, located in the Student Lounge (Mason 1004).

Announcements from and for members of student organizations are posted on appropriate student organization bulletin boards, located throughout Mason Hall.

**NOTE:** It is campus policy that postings are allowed on bulletin boards ONLY. Any postings found on doors, walls, windows, etc. will be removed immediately. Students wishing to post signs campus-wide must have the flyer approved by Student Association (Williams Center), and all postings must display the SA approval stamp.

## **COMPUTERS – MAC OR PC?**

Fredonia is split between Windows PCs and Macs. We recommend you purchase a system (Windows or Mac OS) in which you are most familiar. Most Fredonia students are not required to purchase personal computers. There are many [computer labs](#) across campus that use both platforms.

Of course, owning your own laptop allows you to make the most of your educational experience, enabling you to develop proficiency in using the same type of technology most often employed in the music community. Commonly

used programs include: Microsoft Office, Finale, iLife, etc. Some areas such as Sound Recording Technology and Composition may have program specific recommendations.

### **CONCERT ATTENDANCE: MUS 120**

Students must participate and enroll in MUS 120 Concert Attendance, attending a minimum of eight (8) concerts each semester of private lessons selected from the "[MUS120 Calendar](#)." Approved concerts include faculty solo and ensemble recitals, visiting artists, major student ensembles, and Western New York Chamber Orchestra. Other concerts may be counted at the discretion of individual studio instructors.

Students are to obtain MUS 120 slips from a faculty member prior to the concert, and the completed slips are to be gathered from the students only immediately after the event.

### **CONCERTO COMPETITION**

Please see "Student Recitals"

### **CONCERT DRESS (standard formal)**

**Women** – LONG black skirt/dress (at least ankle length) or FULL dress pants, long-sleeved black top (no décolletage, bare shoulders or necklines, or bare midriffs), black hose, black shoes (no flip flops), no outstanding jewelry.

### **ENSEMBLE AUDITIONS**

All music students participate in ensembles as required by their degree program and the [Ensemble Requirement](#) of the School of Music, and for most students this requires frequent auditioning. Every semester, string, wind, percussion and voice students audition for placement into the main auditioned ensembles, such as the orchestras, bands and choruses. [Detailed information](#) about these auditions, including times, locations and repertoire.

## ENSEMBLE REQUIREMENT

*Each student and advisor should follow the specific requirements of the student's curricular major.*

No undergraduate student will be allowed to enroll in more than two 1-credit ensembles in a given semester. Undergraduate students may enroll in up to four curricular ensembles (1-credit and ½-credit) in a semester.

Any student may be asked to be in more than one 1-credit ensemble in a semester, but they cannot be required to do so. This does not pertain to the choral requirements for instrumental Music Education majors, as that is a requirement of the major.

Each undergraduate student pursuing the General BA tracks as well as BM-Performance and BM-Composition degree programs in the School of Music is required to audition for and enroll in a 1-credit ensemble each semester. See below for requirements for the other BA tracks.

Each undergraduate student pursuing a Bachelor of Science degree program in the School of Music is required to audition for and enroll in a 1-credit or ½-credit ensemble during the semesters of private applied study.

If an undergraduate student is in residence at Fredonia in a fifth (or later) undergraduate year, the ensemble participation requirement remains in force if the student is taking private lessons.

All students required to enroll in 1-credit ensembles will do so on the instrument correlating to their primary studio assignment unless specifically exempted by the administration of the School of Music.

Graduate students taking private lessons may be involved in ensembles as advised by their graduate advisor in consultation with their private instructor.

Exemption from any ensemble policy requires agreement between the ensemble director(s) and the studio instructor, and may be appealed to the Director of the School of Music.

Please contact the School of Music office for more information.

## **JURIES**

Juries are one way a student has to demonstrate his/her progress on their principal instrument. At the same time, juries offer the applied faculty an opportunity to evaluate the student's accomplishments in performance in relationship to their applied level of study as well in correlation to the student's curriculum. See your area handbook for more information.

## **KEYS (assigned practice rooms or lockers – piano, tuba, harp, bass)**

You will receive a student key authorization form from your studio teacher for keys needed to access assigned practice rooms, etc. You may pick up the keys from the Facilities Service office.

## **LOCKERS**

## **MASON HALL**

Mason Hall is the home of the School of Music, and nearly all of its activities are housed within it. The original structure was built in 1940 and is commonly known as "Old Mason." The façade faces the campus courtyard with its main entrance leading to the lobby of Diers Recital Hall. The "Mason Annex" was added in the 1960s to the north end of Old Mason, and in the 1970s "New Mason," a three story complex of offices and classrooms, was added on the west side of the original building. This part of the building now houses the Music Office and the adjacent main lobby. In 2004, the School of Music opened Rosch Recital Hall, and two years later new recording studios opened on the second floor of the "Rosch Wing." In Summer 2010, new, larger rehearsal rooms (Robert and Marilyn Maytum Music Rehearsal Halls) were added to the north of the "Mason Annex." Fall of 2016 saw the connection of Mason Hall to the Rockefeller Arts Center, home of the Department of Theatre and Dance, Department of Visual Art and New Media, and three primary performance venues: King Concert Hall, Marvel Theatre, and Bartlett Theatre.

## **MASON HALL POLICIES**

Please see '[Mason Hall Usage Policies \(User Services Policy Manual\)](#)' for the rules, regulations and procedures by which the whole of the Mason Hall facility is run. This manual describes in detail the expectations that users should have of the facility.

## **MUSICAL JOURNEYS PROGRAM**

The Musical Journeys Program is a division of the Fredonia School of Music. The mission is to provide quality musical experiences to students of all ages in Western New York. Fredonia's students and faculty work together to give a broad range of individual instrumental and vocal instruction as well as activities through summer music programs, the New Horizons Band of Western New York, the Chautauqua Youth Chorus and other ensembles. For more information, please see Marc Levy.

## **MUSIC LIBRARY**

Reed Library is centrally located off the first floor of McEwen Hall. Your FREDCard serves as your library card; however, it needs to be activated first. To do this, simply stop by the library's main circulation desk at any time.

Library resources such as online full-text journal collections, databases, reference materials and e-books are available around the clock by accessing the [library's website](#). If the library doesn't have what you're looking for, resources may be located through InterLibrary Loan (ILL). Visit the library's Web site to request ILL materials and to find general information about library services.

The Music Library is located up the stairway (to the left as you enter the library) on the mezzanine. Reed Library's Music Collection is the largest subject collection in the library, primarily supporting the curricular and research needs of the students and faculty of the School of Music. The collection contains over 12,000 books on music, ranging such topics as music history, theory, education, performance studies, criticism and biography. Over 30,000 scores and parts are available, including miniature study, full-size, and piano-vocal scores, as well as performance parts for ensembles up to 9 players. Sound recordings number nearly 7,000 compact discs, 15,000 LPs, and 1,000 cassettes of both music and spoken word recordings. Videocassettes and DVDs are available on many different aspects of music from full-length operas to music pedagogy.

### **MUSIC TECHNOLOGY LABS**

The music technology labs are found in Mason 2016 and 2017. These state-of-the-art MIDI labs consist of 30 Macintosh Computers, each connected to a multi timbral MIDI synthesizer. These labs may be used by music majors for ear-training, notation and composition. The numerous software titles available for student use include the following: Practica Musica, Auralia, Mibac Music Lessons, Freestyle, Digital Performer, Logic Audio, Band in a Box, Peak, iTunes, Adobe Premier, and Finale. The lab is open for student use over 60 hours per week. A schedule of open lab times is posted outside each lab.

Those students who can exhibit a high level of technical aptitude may choose to become a lab proctor. The student lab proctors maintain the labs, and help student lab users with software and hardware questions. Any student with previous Macintosh/MIDI experience who is interested in being a lab proctor should contact the lab director at [matthew.wilson@fredonia.edu](mailto:matthew.wilson@fredonia.edu).

The School of Music offers a number of courses in the Mason Hall Music Technology Labs. These classes include MUED 291 and 292 (Technology in Music 1+2). Students interested in learning to use the software and hardware in the labs are urged to enroll for the classes offered there. The Mason Hall Technology Labs are music labs only, and may not be used for non music applications (word processing, email and internet). Students may use the numerous non music labs found throughout campus (and in the dorms) to send email and word process.

### **MUSIC THEORY INFORMATION**

Incoming freshmen and transfer students may take the music theory placement exam either during auditions, orientation or the weekend before classes begin.

For more [information](#) on placement, policies, syllabi, and other materials.

### **MUSICIAN HEALTH & SAFETY**

*Adapted from: The National Association of Schools of Music (NASM) and Performing Arts Medicine Association (PAMA) Protecting Your Hearing Health - Student Information on Noise-Induced Hearing Loss*

Hearing health is essential to your lifelong success as a musician. Your hearing can be permanently damaged by loud sounds, including music. Technically, this is called Noise-Induced Hearing Loss (NIHL). Such danger is constant. Noise-induced hearing loss is generally preventable. You must avoid overexposure to loud sounds, especially for long periods of time. The closer you are to the source of a sound, the greater the risk of damage to your hearing. Sounds over 85dB (your typical vacuum cleaner) in intensity pose the greatest risk to your hearing. Risk of hearing loss is based on a combination of sound loudness and duration.

Earplugs for musicians: Visit the Youngerman Center on campus at 716-673-3203 to schedule a hearing test to possibly receive a set of professional musicians ear plugs (for a nominal fee) or visit [earplugstore.com/nasopl.html](http://earplugstore.com/nasopl.html)

Recommended maximum daily exposure times (National Institute for Occupational Safety and Health - NIOSH) to sounds at or above 85 dB are as follows:

- 85 dB (vacuum cleaner, mp3 player at 1/3 volume) - 8 hours
- 90 dB (blender, hair dryer) - 2 hours
- 94 dB (mp3 player at 1/2 volume) - 1 hour
- 100 dB (mp3 player at full volume, lawnmower) - 15 minutes
- 110 dB (rock concert, power tools) - 2 minutes
- 120 dB (jet planes at takeoff) - without ear protection, damage is almost immediate

Certain behaviors (controlling volume levels in practice and rehearsal, avoiding noisy environments, turning down the volume on your earbuds!) reduce your risk of hearing loss. When performing in either electric or acoustic ensembles, practice at safe volumes. Additionally, the use of earplugs can help to protect your hearing. Consider purchasing high-quality hearing protection such as custom molded earplugs.

Day-to-day decisions can impact your hearing health, both now and in the future. Since sound exposure occurs in and out of school, you also need to learn more and take care of your hearing health on a daily, even hourly basis.

When using headphones in labs or while recording, keep your monitoring levels low. This will protect your hearing and maintain your essential ability to notice detail. If your neighbor can hear the music from your headphones, you are monitoring with too much volume.

If you are concerned about your personal hearing health, talk with a medical professional. *If you are concerned about your hearing health in relationship to your program of study, consult the appropriate contact person at your institution.*

#### **ONCOURSE**

OnCourse is a course management tool where faculty can post syllabi, course materials and assignments, and communicate with students. It is accessed from Fredonia's main webpage.

#### **ORIENTATION**

Students will be invited to the Fredonia summer orientation program. During this time, you will meet with an advisor, register for your fall classes and participate in various orientation activities. If you are unable to attend the summer orientation program, you will register for your classes prior to the start of the fall semester. Advisement, registration and orientation workshops will take place at this time. For more information, visit [www.fredonia.edu/orientation](http://www.fredonia.edu/orientation).

#### **PARKING**

***Student permits.*** Students must register their vehicles and obtain a parking permit to park on campus.

***Parking lots and regulations.*** A campus map with labeled parking lots will help you locate the nearest parking. For a complete overview of parking regulations, visit the [University Police website](#).

#### **PIANO LAB HOURS**

The piano lab is open at posted hours with proctor support. See the bulletin board outside of Mason 2015 for the schedule.

## **PIANO PROFICIENCY EXAM INFORMATION**

Incoming freshmen and transfer students may take the piano proficiency placement exam either during auditions, orientation or the weekend before classes begin.

For more information on placement, policies, syllabi, and other materials, visit [www.fredonia.edu/music/ppei.asp](http://www.fredonia.edu/music/ppei.asp).

## **POSTERS**

Posters may be posted on bulletin boards within Mason Hall. If you wish to distribute posters outside of Mason Hall, you must request permission through the Office of Campus Life. Posters may not be posted on doors or walls. Students should also remove their posters after their event/concert has passed.

## **PRACTICE ROOM POLICIES**

Students may **not** reserve or “hold” a practice room by leaving personal property (coat, music, instruments, etc.) while attending class or being somewhere else. Rooms unoccupied for more than fifteen minutes may be claimed by another student. In the event that this practice is repeatedly ignored, a student may file a formal report in the School of Music office. This report will list the parties involved, day, time and room number. When sufficient information is available, the student’s advisor and studio teacher will be notified.

The Fredonia School of Music does not assume responsibility for lost or stolen property. Articles left unattended in a practice room may be removed by campus police and taken to the lost and found in the School of Music office.

Practice rooms are not to be used for general studying. There are other areas in the building and campus available for studying. Students are not to sleep or eat in practice rooms.

Please help take care of our pianos. Place nothing, food, drink, instrument cases, computers on the pianos.

## **RECORDING**

The School of Music normally records (audio) all concerts occurring in the performance facilities for the purpose of archive and students’ direct educational value. Many events are also video recorded for the same purposes. Some professional contracts do not include a provision for recording, and the School of Music will not record the event when this is the case.

The director of the ensemble or event will receive a recording, and the student will receive a no-cost recording of his or her recital.

Recordings are available through John Caruso of the School of Music Recording Services. Students may order recordings of any recorded event by completing the Performance Recordings Request Form in the Music Office. (Charges apply).

## **REGISTRATION**

The faculty member should make an effort to ensure that the students attending class are in fact on the class roster. The University does not have a provision for students to audit classes without registration.

It is the student’s responsibility to register for the appropriate section of a given course.

- If a student is attending a class and is not on the class roster, it is the student’s responsibility to add the class to their schedule (Drop/Add Forms are available in the Music Office). If they do not do so, they will not receive a grade for that class, and will not receive credit for the course.
- If a student is incorrectly registered for a course, such as incorrect section number, it is their responsibility to change the class/section on their schedule (Drop/Add Forms are available in the Music Office). If they do not do so, they will receive a grade of “E” on their transcript.

For detailed information about scheduling, transcripts, grades and more, log onto “Your Connection” at [www.fredonia.edu](http://www.fredonia.edu). Students may also register online at “Your Connection.”

*Note: there are late fees associated with adding and dropping courses after the deadlines published by the [Registrar's Office](#).*

### **RESUMES/COVER LETTERS**

Let the Career Development Office (2<sup>nd</sup> floor, Gregory Hall) help you effectively present yourself as a candidate with your resume(s) and job search correspondence. Write a draft using their Career Guides (available online or as handouts in the CDO) and the books and sample binders on their Resumes and Correspondence shelf. Schedule an appointment with a counselor (and bring your resume and cover letter draft!) for suggestions about how to make your job search paperwork the best it can be! For more information, visit [home.fredonia.edu/student-life/career-development-office](http://home.fredonia.edu/student-life/career-development-office).

### **ROCK BAND REHEARSAL POLICY**

Rock bands may only rehearse in Mason 1001, 1024 and 1051 during regular building hours. Decibel levels are to be kept at a reasonable (safe) level as to not disrupt other uses in Mason Hall. A blue room reservation form (Scheduling Request) must be filled out and signed by a Music Professor. Complete policies are posted in the School of Music Office.

### **ROSCH CARD ACCESS**

To access Rosch Recital Hall, you need to swipe your FREDCard by a proxy card reader located in the Green Room (Mason 1037). Please provide your F# to Marc Levy.

### **SCHEDULING**

#### **Classroom sign-out**

If you wish to use a room for any activity that is not otherwise regularly scheduled, first review the EMS calendar on the computer in the Music Office to determine room availability. Reserve your desired location and time using the reservation form available next to the computer in the Music Office, and your reservation will be confirmed by email. All room usage must be confirmed prior to use. Please note that priority is given to curricular activities.

If you have any questions about scheduling classrooms, rehearsal spaces or concerts in Mason Hall, see Marc Levy.

#### **Student Recitals, studio recitals, non-curricular recitals**

The School of Music provides performance space on an as-needed basis, first come, first served. An effort is made to accommodate curriculum-required student recitals as the higher priority. Diers Recital Hall and Rosch Recital Hall are the principal locations for these events and, while there is often preference for one or the other, both are equally viable for performance. The School of Music intends that a student will be able to perform at least one formal solo recital in Rosch Recital Hall according to the following guidelines:

Students may schedule their recital in Rosch Recital Hall if they are performing one of the following: Graduate, Graduation, Honors Graduation, Senior Performance or 2<sup>nd</sup> Performer's Certificate Recital. A student must schedule their recital in Diers Recital Hall if they are performing one of the following: Junior Performance, 1<sup>st</sup> Performer's Certificate or any recital that is not curriculum-required. Pianists and percussionists may schedule any of their recitals in Rosch. Detail of policies are found in the [Student Recital Handbook](#).

Studio recitals are to be scheduled in Diers Recital Hall.

Student recitals occur during Fall and Spring Semesters. They may not be scheduled during breaks and holidays when classes are not in session, nor the following:

- The weekend adjacent to Fall break and Easter
- The weekend(s) adjacent to Thanksgiving break and Spring break
- Study week, which includes the weekend before finals
- Finals week

Exceptions with permission of the University, through the Director of the School of Music.

## **Practice Rooms – student access**

Please see “Practice Room Policies.”

## **Rehearsal Rooms – student access**

Students must submit a scheduling request form (available in the office) WITH FACULTY SUPERVISOR’S SIGNATURE to reserve rooms in Mason for larger ensemble rehearsals. The faculty supervisor is responsible for providing student access to the scheduled room. Scheduling requests will be confirmed or denied via email. It is the student’s responsibility to print the scheduling confirmation and keep it with them while using the scheduled space; failure to present printed confirmation may result in students being asked to leave the room and/or building.

## **Concerts, recitals, etc.**

Scheduling for Mason Hall for the following academic year begins in October and is accomplished in several phases as listed below. (The following is excerpted from the Mason Hall Usage Policy for convenience. The [full policy document](#).)

### ***Scheduling Procedure***

*Scheduling will be completed in order of Priority Group according to their respective deadlines (I – V). A potential facility user may check availability in the Music Office by checking the EMS electronic calendar. To request a facility, the Mason Hall Event Scheduling Request Form must be completed. These forms must include the type of event, the purpose, dates and times of performances, rehearsal times, ticket prices if any, support space needs, and any additional information that will help the School of Music know more about the event, the audience or participants. Once approved, the event will be confirmed with the user via e-mail and the event will be entered onto the Campus Calendar. The Ticket Office must be notified if tickets are to be sold.*

### ***Priority Groups and Timelines***

*The following priority group listing will be used as a guideline for scheduling space allocation. Deadlines have been established to protect priority group’s standings. Scheduling request forms received after the published deadlines will be served on a first-come, first-served basis.*

#### ***Priority Group I (October - ongoing)***

Academic functions of the School of Music: all academic courses and activities, including classes, ensemble rehearsals, curricular performances, juries, hearings and examinations; recruitment activities, such as orientation days and audition days; and special events and programs sponsored by the School of Music, such as a high-profile series (i.e. Rosch Recital Series), camps, and major residencies.

#### ***Priority Group II (February 1 – ongoing)***

#### ***Priority Group VI (April 1 – ongoing)***

Any activity not in Priority Groups I – V including university departments, SA organizations and non-university groups.

**Hold Policy**

*It is not possible to “hold” a date. An event that is scheduled will be assumed to be firm and definite. Users are asked to make sure the School of Music is informed immediately of any cancellations. The user is to inform the Director of Facility Operations and the Scheduling Coordinator of any cancellations.*

**SMOKING, FOOD AND DRINK**

Smoking is not allowed anywhere in Mason Hall nor on campus. No alcoholic beverages are allowed anywhere in Mason Hall except by rare special contract arrangement. There are no foods or beverages of any type allowed in the performance facilities, piano practice rooms or the instructional labs.

**STUDY WEEK**

The last week (Monday through Sunday) before finals is recognized as “study week,” which means that the University refrains from holding special events, requirements and activities during this period because they could interfere with students’ preparation for finals.

The student lounge is an area for students to congregate. Student mailboxes, access tv, vending machines are located here. The FSA Café – Mason is adjacent to the lounge.

## **STUDENT RECITALS**

Please review the [Student Recital Handbook](#) for policies and procedures. The Handbook is provided to help students be proactive in their recital preparation, and for the student and applied studio instructor to work together toward a successful experience.

For students who excel in performance, the School of Music offers three awards: Honors, Concerto, and the Performer's Certificate. Students approved for Honors are entitled to list their senior recital as an Honors Recital. Winners of the annual Concerto Competition perform their works in concert with the College Symphony Orchestra, Chamber Orchestra, or Wind Symphony. Exceptionally-gifted students may participate in the Performer's Certificate program, which entails two successful recitals, or a recital plus a concerto performance or major opera or oratorio role. Performer's Certificates are presented at the annual Music Awards Convocation. Contact your studio instructor for more information about these opportunities.

## **STUDIO INSTRUCTION**

All private instruction should be scheduled as regular weekly lessons as soon as possible during the first week of classes. The semester is approximately 14 weeks long plus a week for exams. At the very minimum, a student should be able to expect 12 weekly lessons during the semester.
