

2019-20 FAFSA Application Process

Due to federal Prior-Prior Year legislation, please know that the 2019-20 FAFSA will be available on October 1, 2018 to complete. Students and parents will be reporting Prior-Prior Year income within their on-line FAFSA application.

You should file the 2019-20 FAFSA as soon after October 1, 2018 as possible. Follow these steps outlined below:

- 1 Apply for a FSA ID and Password. A FSA ID and Password lets you apply, "sign" your online FAFSA, make corrections to your application information and more – all online. Go to fsaid.ed.gov to apply!
- 2 Collect the documents, including income tax returns, W-2 forms, and other records of income to apply. A complete list of what you need can be found at www.fafsa.gov.
- 3 Complete the 2019-20 Free Application for Federal Student Aid (FAFSA) as early as possible, preferably in October, in order to meet school and state aid deadlines. Apply online at www.fafsa.gov. Fredonia's school code is 002844. If you are a New York State resident, please complete and submit the TAP application at www.tapweb.org.

The Department of Education's Federal Student Aid (FSA) programs are the largest source of student aid in the U.S. Last year, undergraduate and graduate students received more than \$100 billion in financial aid.
