All students in their first two years post-high school, regardless of credits earned, are required to live on campus unless their registered permanent address is within a 50 mile radius of the campus. NOTE: There is a fee of \$350.00 for APPROVED termination of this license.

For the purpose of stating the understanding between the parties with respect to the charges and responsibilities for a room at the university operated housing facilities for the academic year 2021-2022 for occupancy by the student.

these rooms are just an example and do not represent what will be available during room selection

Once you have searched for your criteria, a list of available rooms will pop up.

Please note, if a room is not showing up - that means it isn't available.

If a room says standard double - that room is for TWO people and someone else can place themselves in that other bed.

Once you select the room you wish to occupy, you will be able to place yourself in either Bed A or Bed B, there is no difference in beds!

If you have selected a roommate, you are able to pull your confirmed roommate into the room. You will only be able to pull the roommate in with you if they have confirmed the request. The roommate with the earlier start time can log on and pick for both students (even if it is on a different day).

Submit Room Selection

MAKE SURE TO SUBMIT ROOM SELECTION!

Congratulations, you have selected a room!

Unfortunately, you are unable to change your room during room selection, however, waiting lists will be open on May 5th until May 19th. All requests must go through the waiting list process.

Other things to note:

- This is a fluid process, if you are unable to get a room during the selection process, make sure to add yourself to the waiting lists.
- We will have a limited number of singles available - if you select a double room during room selection, we cannot change it to a single during the process and you may get a roommate. You will need to utilize the waiting lists!
- You will receive a confirmation email when you select a room, make sure you keep that confirmation.
- If you wait too long to select a room, it is possible someone could take that room before you select it.
- Email Reslife@fredonia with questions - we will be on google hangouts during the room selection process to troubleshoot with you all!
