Room Selection Tutorial

HOW TO CHOOSE YOUR ROOM FOR THE FALL 2020 SEMESTER
Start times will be e-mailed one day prior to your start time. You can also view your start time by logging on to your MyHousing page.

For the updated schedule, visit: https://www.fredonia.edu/student-life/residence-life/roomselection

If you don’t have a start time, please contact reslife@fredonia.edu as soon as possible!
When you are ready to pick your room, select “Select a Room/Suite.”

You will be able to search by building below. Please note that the townhouses and first-year buildings are unavailable for this room selection. When you have selected your desired building, select “Find Available Rooms.”
After selecting your preferred hall, you will be able to see a list of available rooms. From this page you are able to view the floor plan and the floor roster.

When you have selected the room you wish to live in, choose **Select Room**.
Once you select the room you wish to occupy, you will be able to place yourself in either Bed A or Bed B, there is no difference in beds!

If you have selected a roommate, you are able to pull your confirmed roommate into the room. You will only be able to pull the roommate in with you if they have confirmed the request. The roommate with the earlier start time can log on and pick for both students.
Once you select your room, read the housing license beneath the room options and then select “I Agree – Submit My Room Selection.” If you do not select this button, you did not pick a room. Once your room is selected, you will receive an e-mail confirmation.
Congratulations, you have selected a room! You are unable to change your room during room selection, however, you can e-mail reslife@fredonia.edu from April 29th – June 3rd to see if we have availability to accommodate your change request. All requests must be in writing!

If you do not get a confirmation screen then you have NOT selected a room!

You can also view your future assignments on your MyHousing page until June 3rd.
• If you have any questions, please e-mail reslife@fredonia.edu.
