

Fredonia – Onondaga Community College

Articulation Agreement in Communication

By this agreement, students who complete an Associate in Applied Science (AAS) degree in Electronic Media at Onondaga Community College (OCC) in the Television/Video or Radio/Audio tracks are guaranteed admission with full junior standing to the Bachelor of Science (BS) Communication in the Video Production Major or Audio Production major, respectively. By completing the AAS degree, and at least seven of the ten SUNY General Education (GER) requirements at OCC, such students should be able to complete the BS in Communication at Fredonia within four additional full-time semesters, taking 15-18 credits per semester. Minimum graduation requirements include:

120 unduplicated credit hours

45 credit hours at Fredonia

66 credit hours outside of the major

2.5 average in the departmental core and major courses

2.0 minimum GPA

Students must earn a minimum of C in all course and major courses

Communication majors must complete a minor, or a full semester study abroad experience. Students completing a minor should begin courses towards their minor at OCC.

The courses recommended in this agreement are not to be considered contractual; they reflect the current appropriate sequencing of courses that will make the articulation most compatible. Students are advised to consult both the Onondaga CC and Fredonia undergraduate catalogs to check any modification or changes to the program requirements.

This agreement will become effective September, 2015 and both colleges will review and re-sign this agreement every two years or when any significant curriculum changes occur at either institution. The course selection included in this articulation may be subject to change as new requirements are established within the degree plans. Both institutions assume a good faith effort to continually update each college on any changes to the programs. This is a joint effort of both institutions to help transfer students maximize their transferability.

GPA Criterion: To be guaranteed admission, students must have a minimum cumulative GPA, from all colleges attended, of 2.75.

College Core Curriculum: To graduate with a baccalaureate degree from Fredonia, students must meet the requirements of Fredonia's College Core Curriculum (CCC). The CCC includes all ten SUNY General Education Requirements plus additional coursework stipulated in the Fredonia catalog. To assist OCC students in preparing for their baccalaureate degree at Fredonia, the additional CCC requirements are summarized below:

1. Students are required to complete two courses, with two different prefixes, in the social sciences.
2. Students are required to complete two courses, with two different prefixes, in the natural sciences.
3. The CCC includes an oral communication requirement. This is covered by

meeting the SUNY General Education basic communication requirement, which is fulfilled by ENG103 at OCC.
